

President's Message – June 2022

Dear Members,

Our thoughts continue to be with you, your families and everyone in our communities. We continue to be here for you and please do not hesitate to contact the ACFE Vancouver Chapter Board or myself directly if you have any questions or concerns via my email and direct number listed below. I have had the opportunity to speak with several of you over the past couple of months and appreciate your time and look forward to seeing you all in-person at an ACFE event this fall.

We will be continuing with a virtual format for all events until at least the fall of 2022, including the upcoming Annual General Meeting (AGM) which will be held on July 8<sup>th</sup>. We anticipate transitioning to a hybrid format for events for our 2023 season and will continue to provide updates with our transition. We have also continued updating the website, adding additional resources, and training webinars for members. We also have several upcoming virtual training events that are free to members of the ACFE Vancouver Chapter listed below and more events will be added as speakers are confirmed.

June 14 - Occupational Fraud 2022: A Report to The Nations

June 23 - Cyberfraud Incident Response & Automation

July 8 - ACFE Vancouver Chapter Annual General Meeting (AGM)

July 21 – The 21<sup>st</sup> Century Fraud Fighter: Introduction to Technology Training Series

There will also be several Board and Committee positions open for the ACFE Vancouver Chapter at the upcoming AGM and we encourage you all to consider running for one of the positions to help guide the future direction of the ACFE Vancouver Chapter.

Finally, we want to thank you all for your continued support and wish you all the very best!

Most sincerely,

*Steve Wilson*
