

President's Message – February 2021 Edition

Dear Members,

Our thoughts continue to be with you, your families and everyone in our communities during 2021 as we continue to deal with the challenges of COVID-19 and economic recovery. As such, we wanted to take a couple minutes to provide you with some ACFE Vancouver Chapter updates. First and foremost, we are here for you and please do not hesitate to contact the ACFE Vancouver Chapter Board or myself directly if you have any questions or concerns via my email and direct number listed below. I have had the opportunity to speak with several of you over the past couple of months and sincerely appreciate your time.

We will be continuing with virtual events in 2021 including the upcoming Annual General Meeting (AGM) which will be held on March 24th. We will also continue adding information, resources, and training webinars to our website for members to address fraud and other current and emerging issues. We have also had several people contact us regarding employment opportunities and we will continue adding them to the website. We will be going ahead with the Cascadia Fraud Conference this October in a virtual format and do not forget that March is Fraud Prevention Month in Canada.

Shortly you will receive an email communication from the ACFE Vancouver Chapter regarding a short survey and we would appreciate your input to help us serve you better in 2021. In addition, [Cyber.sc](https://www.cyber.sc) has offered to provide us with access to their [online cybersecurity course](#) at a substantial discount.

Please use the discount code: CYBERSECURITY

Finally, reach out if you are interested in providing a story or presentation for our Chapter and please continue providing us with your input and suggestions for future events. We will continue to focus on the development of the Chapter over the coming year and adding new resources and relevant professional development opportunities for you, our valued membership.

Most sincerely,

Steve Wilson,
President, ACFE Vancouver Chapter
