

President's Message – June 15, 2021, Edition

Dear Members,

Our thoughts continue to be with you, your families and everyone in our communities during 2021 as we continue to deal with the challenges of COVID-19 and economic recovery. As such, we wanted to take a couple minutes to provide you with some ACFE Vancouver Chapter updates. First and foremost, we are here for you and please do not hesitate to contact the ACFE Vancouver Chapter Board or myself directly if you have any questions or concerns via my email and direct number listed below. I have had the opportunity to speak with several of you over the past couple of months and sincerely appreciate your time.

Today is World Elder Abuse Awareness Day and we hope you will take a couple minutes to review the Elder Fraud & Abuse resources we have added to the website and learn more about this important topic. We would also like to congratulate the recent group of graduates from the BCIT Forensic Investigation of Fraud and Financial Crime Program and look forward to seeing them at one of our future events. They are also currently working as a group to obtain their CFE designations over the next three months and we look forward to hearing more about this achievement during our upcoming fraud training event in October.

We will be continuing with a virtual format for all events for the remainder of 2021, including the upcoming Annual General Meeting (AGM) which will be held on June 30th. We hope to start returning to in person events for our 2022 season and will provide an update at our Fraud Training Summit in October. We have also continued updating the website and adding additional resources and training webinars for members. Finally, thank you to everyone that completed the short survey, and the results will be discussed at the upcoming AGM.
