

## President's Message – June 2018 Edition

Dear Members,

It is my pleasure to announce that one of our members, John Crawford, has won the 2018 BC CFO Award in the lifetime achievement category. He will be presented with this award at the BC CFO Award Ceremony in Vancouver on June 7<sup>th</sup>, 2018. Please see below for the complete article from the Business in Vancouver Publication. On behalf of the ACFE Vancouver membership, Congratulations John!

Our training event in May was an overwhelming success and from the attendee feedback it appears that the BCIT Vancouver campus venue was also a great choice for our event. Thank you again to the speakers, to the ACFE Board Members and to the volunteers that helped make this event so successful.

As we look ahead into our 2018/ 2019 season we have several other professional development events planned including our two-day training event in Vancouver on August 28<sup>th</sup> and 29<sup>th</sup> on Controlling the Risk of Asset Misappropriation. We will also be hosting a networking event on August 28<sup>th</sup> after the first day of training.

In September we will be hosting our luncheon event at the Terminal City Club with a presentation on Blockchain and Distributed Ledger Technologies and in November we have our full day training event at BCIT in Vancouver on Professional Interviewing Techniques. Please remember that these events will also provide you with several CPE hours. Please refer to our events page for registration and event details.

Finally, the 29<sup>th</sup> Annual ACFE Global Conference will be held in Las Vegas from June 17<sup>th</sup> to 22<sup>nd</sup> with several thousand attendees expected from all over the world. As the world's largest Anti-Fraud Conference, this is a terrific networking and training event and I hope to see you there. I'm also excited to announce that the Vancouver ACFE Chapter has been given the honour of carrying the Canadian flag during the opening ceremony.

Sincerely

Steve Wilson, President, ACFE Vancouver Chapter
